

The ProVend II includes customer-driven feature enhancements to make your vending deliveries safer, easier and more profitable.

- Deluxe cam-over locking system with key locking door handles to keep cargo safe
- One-piece skins to eliminate unsightly rivets and weld marks
- Ergonomic design for driver comfort and safety
- Six-stage computer-controlled painting system
- Variety of refrigeration options
- Safety grab rear handles
- Rear drop frame for easy entry
- 12-year warranty

Patented aluminum corner castings for structural rigidity, durability and performance

Features & Benefits

Full-length step to provide easier and safer access to the soft drink bays.

Soft drink bays designed with slide-in vertical channels for shelving versatility. 20-ounce soft drink bays hold four extra cases per bay. Bays can be converted to 12-ounce or 20-ounce beverage by simple shelving adjustment.

Easy-adjusting shelving in cola bay is sloped to eliminate outside retaining bars.

Adjustable “snack” shelves over soft drink bays can accommodate various package sizes.

“Quick Release” thumb latch retainer bar can be engaged with slight thumb pressure.

Fuel tank filler spout located on outside of body to optimize inside space.

Roll-up doors for inside and outside access to cola bays

Wide variety of refrigeration and cooler options

Ergonomically designed rear drop frame for safe, easy entry and exit helps reduce driver fatigue

Shelves are adjustable vertically with horizontally adjustable bay dividers

Each pair of 12 oz. cola bays has a capacity of 96 cases

Each pair of 20 oz. cola bays has a capacity of 48 cases

20-oz. soft drink bays can be converted for 12-oz. cans by a simple shelving adjustment.

The soft drink bays are designed with slide-in vertical channels for shelving versatility.

"Quick Release" thumb latch retainer bar can be engaged with slight thumb pressure

Adjustable retainer guide allows cola bays to be adjusted for more snack space when necessary

Snack bays have been designed with easy adjusting shelving for maximum flexibility and capacity. All snack bays over cola bays are adjustable

Convenient hand truck storage

Variety of safe options

Full-length outside step adds strength and provides safe, easy access to the soft drink bays

Fuel tank filler spout located on outside of body to optimize inside space

Mickey Truck Bodies has earned an unshakable reputation for after-sales service and support, and our customers have the utmost confidence that we will be there for them before, during and after the sale.

We stand behind everything we sell with a rock solid 12-year warranty.
